Email: [coordinacion2@gmail.com](mailto:coordinacion2@gmail.com)

Website: <http://www.cimac.org.mx/>

Description: Founded in 1988 by a group of communication professionals, its mission is to generate and publish news information, ensure that journalists incorporate women's human rights into their reporting and promote media as an educational and social transformation tool to be used as a tool for civil society organizations to share their activities, demands and proposals.

Descripción (Spanish): Comunicación e Información de la Mujer (CIMAC), fue fundada en 1988 por un grupo de profesionales de la comunicación. Su misión es generar y publicar información noticiosa sobre la condición social de las mujeres, asegurar que las y los periodistas incorporen los derechos humanos de las mujeres en su trabajo cotidiano, así como promover los medios como una herramienta de transformación educativa y social que sirva como estrategia para que las organizaciones civiles transmitan sus actividades, demandas y propuestas.

### **Exceptional Women in Publishing**

San Francisco Bay Area  
USA

Email: [info@ewip.org](mailto:info@ewip.org)

Telephone: 415-633-6327

Website: <http://www.ewip.org/>

—[Back to the Top](#)—

Facebook: [@Exceptional Women In Publishing](#)

Twitter: [@ewip\\_tweets](#)

Founded: 1998

Description: EWIP was founded by five women looking for an organization that met the needs of women in print and online periodical publishing. Out of this need, EWIP was formed to accomplish two goals: to educate, empower and support women in print and online publishing and to educate, empower and support women through the power of print and online publishing.

### **Fembot Collective**

Website: <http://fembotcollective.org>

Description: Fembot offers a new model for open access, multimodal publishing and dissemination that will provide a prototype for review, research, and mentoring in the humanities. Grounded in feminist politics and scholarship, Fembot participants are committed to the project of democratizing scholarly communication and opening our research up not only to scholars throughout the world but to broader publics as well. Buried in the deep web, the products of our research have long been too costly for—and inaccessible to—such diverse publics. Fembot is taking full advantage of an array of digital tools and open source software to re-define feminist scholarly production and facilitate participation in this dialogue.

### **FEMRITE**

Ugandan Women Writers Association

Plot 147, Kira Road

P.O. Box 705

Kampala

Uganda

Contact: Goretta Kyomuhendo, Director

Telephone: +256-414-543-943 or +256-772-743-943

Email: [info@femrite.org](mailto:info@femrite.org)

Website: <http://femrite.org>

Description: FEMRITE is a women's organization that came into being at a time when the Ugandan literary scene had almost no visible creative literature written by women. FEMRITE works to build level ground for Ugandan women creative writers enabling them to contribute to national development through creative writing.

### **Girls Write Now**

Telephone: +256 394 823 109 or +256 414 532 035

Email: [info@wougnet.org](mailto:info@wougnet.org)

Website: [www.wougnet.org](http://www.wougnet.org)

Facebook: [@wougnet](https://www.facebook.com/wougnet)

Twitter: [@wougnet](https://twitter.com/wougnet)

Description: Women of Uganda Network (WOUGNET) is a non-governmental organisation initiated in May 2000 by several women's organisations in Uganda to develop the use of information and communication technologies (ICTs) among women as tools to share information and address issues collectively. WOUGNET's mission is to promote and support the use of ICTs by women and women organisations in Uganda, so that they can take advantage of the opportunities presented by ICTs in order to effectively address national and local problems of sustainable development. The new ICTs, in particular, email and the Internet facilitate communication with each other and the international community. Indeed, access to information about best practices, appropriate technologies, ideas and problems of other groups working on similar concerns have been identified as critical information and communication needs of women organisations in Africa.

### **Women's Institute for Freedom of the Press**

1940 Calvert Street, N.W.  
Washington DC, 20009-1502  
USA

Twitter: [@womensmediacnr](https://twitter.com/womensmediacnr)

Founded: 2005

Description: A non-profit progressive women's media organization founded by the writer/activists Jane Fonda, Robin Morgan, and Gloria Steinem. The WMC was founded to develop methods and vehicles that correct the lingering imbalances of women's full representation in U.S. media and global media.

### **Women's Media Centre of Cambodia (WMC)**

Cambodia

Email: [info@wmc.org.kh](mailto:info@wmc.org.kh)

Website: <http://www.wmc.org.kh/>

Description: WMC encourages Cambodian women to work in media at both national and grassroots level. It creates public awareness on women's issues. It also conducts activities to coordinate media networks through workshops, seminars, and produces video and radio programmes for national television and radio, as well as providing support for women journalists.

—Back to the Top—

Twitter: [@WNBA\\_National](#)

Description: The Women's National Book Association is a national organization of women and men who work with and value books. WNBA exists to promote reading and to support the role of women in the community of the book. The Association came into being in 1917 and has eight chapters: Boston, Dallas, Detroit, Los Angeles, Nashville, New York, San Francisco, and Washington, D.C.

### **Women's Net**

88 Main Road  
Fish Hoek  
Cape Town 7974  
South Africa

Telephone: +27-21-728-8816

Email: [info@womensnet.org.za/](mailto:info@womensnet.org.za/)

Website: [www.womensnet.org.za](http://www.womensnet.org.za)

Facebook: [@WomensNetZA](#)

Twitter: [@WomensNetSA](#)

Description: Women's Net works to advance gender equality and justice in South Africa through the use of Information and Communication Technologies (ICTs) by providing training and facilitating content dissemination and creation that supports women, girls, and women's and gender organisations and networks to take control of their own content and ICT use.
